## WHAT IS DAY OF CARING? THINGS TO REMEMBER!

Day of Caring is a volunteer-oriented event which encourages volunteerism in our community by helping people and non-profit agencies in need.

It is also an exciting day that offers a unique opportunity for businesses, employees and individuals to participate in making a difference, and to see first-hand how their donations to United Way are benefiting the lives and vitality of our community.

### WHAT KIND OF PROJECTS?

Day of Caring benefits elderly, disabled or non-profit organizations. Projects include painting, sorting donated food, delivering meals to elderly, landscaping, and much more!

### HOW CAN I HELP?

- Organize a team of volunteers and send in the volunteer registration form today.
- The volunteers will need projects to do, so if you know of any non-profit organization or individuals needing help please have them complete the project description form.
- Volunteer teams and projects are needed to make this day a huge success. Thank you volunteers for inspiring hope and creating opportunities for a better tomorrow.

- Select a team of up to eight members and choose a team leader.
- Return your completed team registration to United Way no later than **Monday, August 13<sup>th</sup>**.
- A confirmation letter will be sent to the team leader once the team has been matched with a project. This letter will include the **project site, address, type of work, the name and phone number of the project coordinator, and volunteer waivers.**
- Team member waivers **MUST** be turned in by August 29<sup>th</sup>. T-shirts for the team members **WILL NOT** be available until all volunteer waivers have been turned in to United Way.
- Day of Caring projects will commence immediately following the conclusion of the Southern Hills United Way Campaign Kickoff Luncheon on September 25, 2018.
