

**100% of every dollar donated to UWBH stays in the Black Hills!**

**For every \$1 you donate to UWBH,  
we invest \$1.72 back into your community**

United Way of the Black Hills

## Impact in Belle Fourche

***DID YOU KNOW? There is only 1 mental health provider 2,551 residents in Butte County.***

In a recent 2019 Community Needs Assessment, UWBH identified the challenges our Belle Fourche residents face, like lack of affordable mental health services and unstable family situations that contribute to issues in job performance, education and physical health. Our community emphasized how difficult it was to prioritize focus areas due to how complex these issues are, and how an issue in one aspect of life is not isolated.

We are more than just an annual fundraiser. We are a data-informed nonprofit that identifies and analyzes the root causes of pressing needs in the community we serve, with the goal to invest over \$2 million annually into long-term sustainable solutions, and not just a bandage to the issues.

We collaborate with many local partners and organizations because we believe we can affect change on a larger scale than any single organization can do alone.

Funding is allocated by the UWBH Board of Directors and local cabinet representatives. They review all the grant applications, tour the programs, assess their impact in each community, analyze the agencies and make informed funding decisions based on their community's needs. When you donate to UWBH, your donation is being vetted and wisely invested into your community to ensure the greatest impact.

### **Success Story:**

Two teenage brothers from the Northern Hills area both struggle with a number of mental health issues including bipolar disorder, anxiety, and ADHD, all of which require consistent treatment with medications in tandem with ongoing counseling. Both brothers have taken benefited from the unique system at Community Health Center of the BH system. They have had coordinated access to medical providers, counseling, and pharmacy solutions.

**Thanks to the United Way voucher program at Community Health Center of the Black Hills, they have been able to receive the necessary medication and services at a reduced expense.**
