

IMPACT in Edgemont

Your Generosity in Action

Sage is a 2nd grader in the Edgemont YMCA. Both of her parents work full time, so having a place for Sage and her sister to go after school is essential for their family. While at Kidstop, her afterschool program, Sage eats a nutritious snack, has fun with her friends, creates arts and crafts and explores with STEM activities.

This is just one story of one life changed. UWBH supports more than 40 different nonprofits serving the Black Hills and each one has hundreds of stories of lives changed thanks to your donation to UWBH.

By partnering with the United Way of the Black Hills, you are also partnering to create safe after school environments for Edgemont kids like Sage.

 **100%**

of every dollar donated to the United Way of the Black Hills stays in the Black Hills!
