SING A SONG: THE NOBLE DUKE OF YORK

For this song, parents and caregivers should place their baby on their knees or lap and bounce along to the song. To see the actions and listen to the song, visit <http://bit.ly/2srOVfD>

Oh, the noble duke of York (bounce baby on your knee),
He had ten thousand men.

He marched them up to the top of the hill (lift baby up high),
And marched them down again (bring baby back down).

Oh, and when they're up, they're up (lift baby up high).
And when they're down, they're down (bring baby back down).
And when they're only half way up (hold baby only half as high),
They're neither up nor down (hold baby up, bring baby down).

He marched them to the left (lean baby to the left).

He marched them to the right (lean baby to the right).

He even marched them upside down (gently turn baby upside down).

Now wasn't that a sight (bring baby back up)!
